

Supplemental Adaptive & Assistive Device Services

(For the ODJFS-Administered Waiver Programs)

Supplemental Adaptive & Assistive Device Services provides medical equipment, supplies and devices. These services must not otherwise be available through any other funding source. These services also include modifications to a vehicle owned by the consumer or the consumer's legally responsible family member for the Ohio Home Care Waiver and Transitions Carve-out Waiver or a family member for the Transitions MR/DD Waiver as defined in OAC 5101:3-45-01. Reimbursement for medical equipment and supplies including vehicle modifications shall not exceed \$10,000 per 12-month period year per consumer.

- **Providers of Supplemental Adaptive and Assistive Devices MUST:**
 - Submit and have bid accepted by the Case Management Agency;
 - Be listed as the provider on the consumer's approved All Services Plan;
 - Assure that all manufacturer's rebates have been deducted before requesting reimbursement;
 - Assure that the supplemental adaptive and assistive device was tested and is in proper working order, and is subject to warranty in accordance with industry standards;
 - Maintain a clinical record for each consumer served in a manner that protects the confidentiality of the records. The records must include items that are outlined in 5101:3-46-04, 5101:3-47-04, and 5101:3-50-04;
 - Not bill for services in excess of what is approved on the consumer's All Services Plan.

- **Reimbursable Vehicle Modifications include:**
 - Operating aids, raised and lowered floors, raised doors, raised roofs, portable ramps, scooter/wheelchair handling devices, transfer seats, remote devices, lifts, equipment repairs and/or replacements, and transfers of equipment from one vehicle to another for use by the same consumer.

- **Supplemental Adaptive and Assistive Device Services DO NOT INCLUDE:**
 - Items considered by the FDA as experimental or investigational;
 - Funding of down payments toward the purchase or lease of any supplemental adaptive and assistive device services;
 - Payment toward the purchase or lease of a vehicle;
 - Routine care and maintenance of vehicle modifications and devices;
 - Permanent modification of leased vehicles;
 - Vehicle inspection costs OR vehicle insurance costs.
